Agenda and Minutes of the IIC and SIH Meeting held on 15 January 2019

The meeting was called by the Convener IIC with student members of IIC. The following agenda were discussed in the meeting:

AGENDA ITEMS

1.1 SIH 2019

1.2 BIRAC Bio-Entrepreneurship Workshop

MINUTES

1.01   To promote participation from students for Smart India Hackathon 2019 and provide appropriate mentorship and necessary help during the course of the contest. IIC Members have to group the teams based on problem statements on which registered teams are working on. Student coordinator Mr Rishabh Singh Tomar has been told to finalize PG student mentors and faculty member for each team and compile the data. The same should be submitted to coordinator for further action by next week.

1.02   Arrangements for BIRAC Bio-entrepreneurship Workshop scheduled in first-second week of February. IIC members have to collect data (through Google form) from faculty /staff and students who are currently working or interested to work in the areas of Bio-Medics. This data would be used to generate a list of topics to be discussed during one hour interactive session with team from IIT Kanpur, headed by Prof. Bandopadhyay. Student coordinator Mr. Rishabh Singh Tomar will upload the Google form to get the topics and theme for workshop. This data will be compiled by the end of next week by Mr. Sai Anurag.
