

Prof. Ming J. Zuo

Dr. Ming J. Zuo is working as a **Professor**, Department of Mechanical Engineering, University of Alberta, Edmonton, Alberta, Canada. He was a Visiting Professor, Department of Industrial Engineering, Texas A&M University, College Station, Texas, USA. He is a Fellow of Institute of Industrial Engineers (IIE), Engineering Institute of Canada (EIC), International Society of Engineering Asset Management. He is awarded with Killam Professorship Award, University of Alberta, 2004/2005 and McCalla Professorship Award, University of Alberta, 2002/2003. He is also a Department Editor, IIE Transactions, Associate Editor, IEEE Transactions on Reliability, Editorial Board Member, Reliability Engineering and System Safety, and Editorial Board Member, International Journal of Reliability, Quality and Safety Engineering. His research interests include Reliability Engineering, Vibration Monitoring, Fault Diagnosis, Signal Processing, Condition Based Maintenance Optimization, Manufacturing Systems.
