

Primary Health Centre

29th November 2016

Dear All

1. Ambulance services can be used in case of medical emergency or under special circumstances where the movement of a student is difficult or unbearable pain without an ambulance. Hostel residents need to contact the Caretaker of respective Hall shall make a call to the Primary Health Center for the ambulance.

2. For emergency medical assistance, the student would be referred any of the following hospitals in city:-

- 1). City Hospital
- 2). Marble City Hospital
- 3). Shalby Hospital
- 4). Jabalpur Hospital

Only after a health check-up at the Primary Health Center in our campus.

3. It is responsibility of all to ensure that the ambulance is not kept waiting for more than 10-15 minutes so that other needy persons are not deprived of the service.

4. Please remember that ambulance services are to help the students in emergency situation or in case of extreme difficulty. Any misuse of these services may lead to a fine of Rs. 200/500 (inside/outside the campus respectively). The final decision in this regard shall be taken by the Faculty In-charge, PHC.
