

March 17th, we are organizing the following activities:

1. Blood donation: Area surrounding L 103,
2. Training program: L 103 (convocation hall),
3. Children health check up (village kids below 10 years): Behind L 103

At IIITDMJ, we have a good tradition of organizing blood donation camp. Keeping up with the tradition, let's participate in the blood donation camp on 17th (tomorrow) and serve the needy. Time: 11 am onwards

Doctor B.k dang along with his demonstrating team will be conducting the training on first aid on 17 March 2018 from 12pm onwards on preventive measures during

Heart attack

Road side accidents

Fire

Drowning and more

Along with these activities, village children health checkup would also be organized with the help of Jagruti team.

I urge all of you to be part of all these activities. Requesting faculty and staff to encourage your family members also to participate.

Note: You may bring little gifts to distribute to kids.
