Grading pattern of PBI evaluation (for external Internship)

A meeting was held to finalize the grading pattern of PBI evaluation scheme for external Internship on 21/12/2017 at 3 pm in the Institute conference room. Following members were present in the meeting.

Dr. Prabin Kumar Padhy, Dean, Academic
Dr. Prasant Kumar Jain, Dean, Students
Prof. Tanuja Sheorey, Chairman, PBI
Dr. Pavan Kumar Kankar, Chairman, Placement cell
Prof. Puneet Tandon, for Head, ME and Design
Dr. Pritee Khanna, Head CSE
Dr. Subir SingLamba, Head NS
Dr. Matadeen Bansal, for Head, ECE
Ms. Tulika Ruth Nelson, Placement Officer

Right now, the external Internship is evaluated by two interims, mid-term and end-terms. There are two supervisors for such students doing Internship outside this Institute: one is internal (from Institute) and one from external (industries/organisation outside Institute). The final grade is calculated by averaging the grades given by internal and external supervisors.

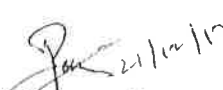

It is found that, many Industries/organizations are reluctant to give grades for the students doing internship in their organizations. So it is difficult to manage without grades as the internship is part of the curriculum. Also, the above said Industries/organizations are the recruiters for our students.

To maintain the relationship with Industries/organizations, it is recommended that, the internal supervisor will do the full evaluation and give grades after discussion with Industries/organizations for external PBI students. No grades will be asked from the Industries/organizations for internship.

Subject: Request to register as external candidate, in Semester IV, 2017-18.

Dear Sir,

I am an M.Des student in the Design Discipline, PDPM IITDM Jabalpur since August 2016. I have completed my course work and currently working on my thesis problem.

I am happy to share with you that I have been selected in the highly competitive "iFellowship 2018", that is the fellowship offered by Department of Biotechnology (DBT), Ministry of Science & Technology, Government of India at AIIMS Delhi.

This fellowship is offered through collaboration between All India Institute of Medical Sciences (AIIMS) Delhi, Indian Institute of Technology (IIT) Delhi, Queensland University of Technology (QUT) Australia, Tottori University & Hiroshima University, Japan.

This is to request to you to kindly permit me to register as an external candidate so that I can avail the fellowship.

I ensure you that 'external' candidature will not hinder my research progress as I am working in the same domain, i.e., Biodesign (Title: A better way to access internal anatomy in Laparoscopic surgery to prevent unintentional injuries).

I shall be highly obliged to you.

Thanking you.

Yours sincerely,

The Director,
PDPMIITDM Jabalpur

(Through the P.I.)

Sub: Conversion from Institute Assistantship to Project

Respected Sir,

I am Priyabrata Das. I have joined as a Junior Research fellow in the project titled "Computational Design of Functional ~~Nano~~ Nucleotides for Artificial Life". I have also applied for PhD as institute assistantship in PDPMIITDMJ, but by the time I had applied for PhD, I was not selected as JRF on the above project. Now I am selected in both Institute PhD Programme and Project.

I am interested to work on the project. Therefore, kindly, convert my fellowship from institute assistantship to project.

Yours Faithfully

Priyabrata Das.

Jabalpur

Date: 15 Jan 2018

*Forwarded to
16/1/18*

Through: Dean Academics, H.O.D. Design Discipline and Thesis Supervisor

Subject: Request for extension for one month for reviewing my thesis

Respected Sir,

I'm writing this with deep regret and apology that there was a delay in my thesis completion for the final year in my degree completion of Master's in design. This delay was caused due to my unforeseen medical condition.

Though I have drafted my thesis, it was already in consideration of my supervisor for revision. However, same time I got suffered of severe jaundice. In the levy of the same circumstance, I was advised bed rest for the month of November 2017- December 2017 due to diagnosis of jaundice. Thus, in this duration we could not finalize our thesis for the submission. Therefore I'm requesting you to kindly grant extension for one month.

It would be extremely sought after that I can attend convocation in the year 2018 with my degree of Master's in Design.

I deeply regret this circumstance and apologies for this anomaly and inconvenience caused to everyone.

Warm regards

Your Sincerely

Surjeesh Laishram
1320402 M. Des.

Through: Dean (Academic) & Head(NS).

Sub:- Semester drop for Ms Priyanka (Roll No. 1626502).

Dear sir,

I have completed two semester in my Ph.D programme in NS discipline. I have completed my course work with CPI of 8.5. I have the job offer from SGITS Indore and I am required to join there by January 5, 2018. I had requested for semester drop for the IIInd Semester of academic year 2017-18. But has been denied. As per para 9.2 of the Academic Guidelines-2017 (See annexure A-1) a student can avail semester leave on the basis of bonafide reason provided he/she has completed two semester.

I humbly request that semester leave be granted to me.

Regards,

Priyanka

Respected Sir,

I am a PhD student in the Mechanical Engineering Discipline, having Roll No. 1520361. Recently due to my performance in the academic semester, my fellowship was withheld and this posed a financial problem for me.

Without the fellowship, which had allowed me to self be sustained, I was forced to rely on my family for my finances. An abrupt change in the situation has lead to a difficult circumstance and hence I have decided to drop the course in pursuit of a future that provides financial independence.

In this regard, please consider my application for withdrawal of enrolment from the PhD program at the Institute.

Regards,

Aman

Email: dean.acad@iiitdmj.ac.in, deanacadiiitdmj2016@gmail.com

Website: www.iiitdmj.ac.in

Guidelines of the Optional Project

1. Credits for this project are two credits in a year (consisting of 2 regular semester and a summer term).
2. A student may earn maximum of six credits within 3 years (i.e. 6 th semester) by opting optional projects and he/she may get relaxation of maximum 6 credits against the electives in the curriculum (Including PBI/Project) as per his/her choice.
3. A student may choose the project starting from first semester individually or in a group consisting of maximum five members. The members of the group may be from any discipline.
4. The group can register in a particular discipline (irrespective of her/his branch) after discussing with the faculty mentor latest by September 15 of each year.
5. The weightage for grading will be: Faculty mentor-70%, Evaluation committee-30%. The evaluation committee(s) is/are constituted by the head of the discipline (i.e. discipline where the student registers). The faculty mentor will not be the part of the committee for her/his student.
6. The final grading will be done by a new committee constituted by Head of the Discipline (i.e. discipline where the student registered for the project) based on the total marks obtained in the discipline. For same marks, different grades cannot be awarded to maintain the uniformity.
7. The concern discipline will submit the grades of all the registered students (who have registered in that discipline) in the academic office on/before two days prior to the date of registration for the next semester.

Final Submission of Dissertation/ Thesis Report
(After Defense/ Viva-Voce Examination)

Date: 08/06/2018

To,
The Chairperson Senate
PDPM-IIITDM Jabalpur

Sir,

I am submitting electronic / bound copy(s) of my thesis / dissertation, the title of which is:

"Rectangular Dielectric Resonator Antennas with Enhanced Performance and Reconfigurable Characteristics"

All the copies of the thesis / dissertation have been prepared in accordance with the instructions issued by the Institute regarding the format.

I have incorporated additions / alterations, etc. suggested by the external examiner / board of examiners. A certificate to this effect from my supervisor is appended below.

I request you to issue the orders to give me the provisional certificate for having fulfilled the requirements for the award of the degree of Ph.D.

Yours Sincerely,

(Signature of the candidate)
