---------------------	---

It is proposed to include the rules related to academic dishonesty in the UG/PG manual. At present it is a part of Student Advisory Committee for Senate (SACS) (Clause 1.1).

Senate is requested to deliberate on the proposal and approve the same.

Senate/2013-14/2.11	Moderation of grades
---------------------	----------------------

It has been observed in a few cases that the grading given by an instructor-in-charge does not follow a normally distributed pattern which is a usual practice followed universally in relative grading systems. In order to minimize the effect of abnormal grading pattern on the performance of students, following is proposed for moderation of grades in accordance with the clause 6(c)(7) of the MOA of the Institute:

In cases where grades are having large deviation from the normal curve, Convener UGCS/PGCS is authorized to propose moderation of the grades submitted by an instructor to Dean Academic who may constitute a committee of three faculty members (including the Head of the concerned Discipline). The committee will be empowered to review the grades

and propose modified grades (if any). The committee's recommendation will be based on scrutinizing the standard /level of various quizzes, examination, projects, etc. and grading scheme adopted by the Instructor in-charge.

Senate is requested to consider the proposal for approval.

Senate/2013-14/2.12	Time limit for Maintaining Academic Records by the instructor-in-charge for courses
---------------------	---

At present there is no time limit for keeping the academic record (examination copies, quiz papers, assignments and other details) for a course. It is proposed that academic records for a course be maintained by an Instructor-in-charge for one year and may be destroyed thereafter.

Senate is requested to consider the proposal for approval.

Senate/2013-14/2.13	Modification in rules related to Warning and Termination for PG students
---------------------	--

Existing rules related to Warning and Termination for PG students in the PG manual are as follows.

4.12.2 The minimum CPI requirements for continuing in the programme are

- (a) 6.5 for Master's programme and
- (b) 7.0 for Doctoral programme

However, on the recommendation from the PGCS, a deficient student may be allowed to continue in the programme, by issuing a warning, if his/her SPI in the first semester he/she registers for ≥ 6.0 but < 6.5 (for Master programme) and ≥ 6.5 but < 7.0 (for Doctoral programme).

4.12.3 The programme of a Master student is likely to be terminated if

- (a) His/her SPI is below 6.0 OR
- (b) His/her CPI is below 6.5 in two consecutive semester OR
- (c) He/she obtains two Fs OR one F and one D in the same or different courses OR
- (d) He/she accumulates 3 or more Xs towards thesis credits.

4.12.4 The programme of a Doctoral student is likely to be terminated if

- (a) His/her SPI is below 6.5 OR
- (b) His/her CPI is below 7.0 in two consecutive semester OR
- (c) He/she obtains two Fs OR one F and one D in the same or different courses OR
- (d) He/she accumulates 5 or more Xs towards thesis credits.

- 4.12.5 A student whose programme has been terminated on academic grounds may appeal to the Chairman Senate requesting the continuation of his/her programme. In exceptional cases, the Senate may allow continuation of such a student provided that (i) the reasons for adverse performance are genuine and are well supported by the documentary evidence AND (ii) he/she has a fair chance to successfully meet the minimum graduation requirements of the Institute.

It is proposed to use the term 'academic drop' in place of 'termination' as used in the undergraduate programme. Following modifications are proposed for the rules related to Warning and Academic Drop (Termination) for PG students:

- 4.12.2 The minimum CPI requirements for continuing in the programme are
- (a) 6.5 for Master's programme and
 - (b) 7.0 for Doctoral programme

- (a) his/her SPI at the end of the first semester ≥ 6.0 but < 6.5 for Master programme OR
 - (b) his/her SPI at the end of the first semester ≥ 6.5 but < 7.0 for Doctoral programme, OR
 - (c) His/her SPI is below 6.5 and CPI ≥ 6.5 at the end of second semester onwards of his/her master programme OR
 - (d) His/her SPI is below 7.0 and CPI ≥ 7.0 at the end of second semester onwards of his/her doctoral programme
 - (e) He accumulates an 'X' grade against the thesis credits.
- 4.12.4 The programme of a Master student is likely to be academically dropped if

- 4.12.5 The programme of a Doctoral student is likely to be academically dropped if
- (a) His/her SPI is below 6.5 in first semester OR
 - (b) His/her SPI is below 6.5 and CPI is below 7.0 in subsequent semesters (second semester onwards), OR
 - (c) His/her CPI is below 7.0 in two consecutive semesters OR
 - (d) He/she accumulates two 'F's OR one 'F' and one 'D' in the same or different courses OR
 - (e) He/she accumulates 5 or more 'X's towards thesis credits.

- 4.12.6 A student whose programme has been terminated on academic grounds may appeal to the Chairman Senate requesting the continuation of his/her programme. In exceptional cases, the Senate may allow continuation of such a student provided that (i) the reasons for adverse performance are genuine and are well supported by the documentary evidence AND (ii) he/she has a fair chance to successfully meet the minimum graduation requirements of the Institute.
