Senate/36/01	Overview Report of the Chairperson
---------------------	---

The Chairperson Senate Prof. S. G. Deshmukh welcomed all the members. He briefed the members that:

- 7th Convocation of the Institute was held successfully on September 04, 2015. Total 300 degrees have been awarded during the Convocation. This is the highest number of degrees awarded in the history of IIITDMJ till date.
- 29 students are visiting Japan under the Jenesys Scheme in the month of January 2016 for one week exposure visit.
- One additional Ph.D. seat has been sanctioned by the DeitY under Visvesavaraya Ph.D. Scheme specifically for SMDP-C2SD related work.
- The Hon'ble President of India hosted three days conference where Directors/Vice Chancellors of the centrally funded institutes were invited and Prof. Deshmukh represented IIITDMJ. The Ministry of HRD has launched a research scheme named 'IMPRINT' on the initiative of all IITS and IISc with IIT Kanpur as coordinating IIT. IIITDMJ has to propose research project under the scheme by identifying one or two thrust areas. Chairperson Senate emphasized that this will be a good opportunity for the Institute to work on nationally relevant projects.

Senate/36/02	Confirmation of Minutes of the 35th meeting of the Senate held on July 31, 2015.
---------------------	--

The minutes of the 35th meeting of the Senate were circulated to all the members. No comments were received. The Senate confirmed the minutes of the meeting.

Senate/36/03	Action taken report on the decision of the Senate vide 35th meeting of the Senate held on July 31, 2015.
---------------------	--

The action take report on the 35th meeting of the Senate was presented before the Senate and discussed to the satisfaction of all the members.

Senate/36/04	Introducing of Sandwich Programme with Shibaura Institute of Technology Japan.
---------------------	---

The Senate discussed the proposal and in principle agreed to recommend it to the Board of Governors for approval. The Senate suggested working out the detailed modalities for equivalence of the courses, credit transfer, etc. between the two Institutes to make it a success. The Senate also suggested that the Institute may facilitate students for getting loan from the banks for their study under this programme and tour abroad. The Senate recommended to the board to waive the tuition fees for the semester's student is studying at SIT in order to financially help the students.

Following committee has been formed to work out the modalities such as equivalence of courses, changes required in the curriculum, credit transfer etc.

1. Dean Academic
2. Prof. Aparajita Ojha
3. Prof. V.M. Gadre
4. Prof. S.C. Bose
5. Prof. P.V.M. Rao

The committee is requested to give its recommendation by January 15, 2016.

At this moment, the Senate also suggested that the Institute should start foreign language courses in addition to Japanese such as French and German.

Senate/36/05	Modification in UG and PG Manual
---------------------	---

The Senate discussed the need for modification in the manual and requested the committee to modify the manuals by 15th January 2016.

The Senate also accepted the following modifications in the UG/PG manuals:

1. At any given time, the number of Masters and Ph.D. students working under a faculty should not exceed the limit as decided by the concerned discipline. The limit may be decided by individual discipline based on the availability of the faculty and research load of a faculty. The DPGC of the disciplines will decide such limit in consultation with the discipline and the current load will be calculated towards the beginning of each semester and will be notified by the concerned discipline heads.

2. For the approval of committee for the open seminar, a faculty will be nominated by Dean Academic in place of Convener PGCS.
3. Intimation for the satisfactory completion of the open seminar will be communicated to the Dean Academic in place of Convener PGCS.
4. Separate deadlines will be decided for the late date of submission of grades in the academic calendar for:
 - a. Courses, and
 - b. Graduate/Research/Progress Seminar and PBI

Senate decided to implement it from next semester and authorized Chairperson Senate to approve the modified academic calendar for next semester after incorporating the changes.

Senate/36/06	Seat Matrix for the next year 2016-17
---------------------	--

The Senate discussed the proposed seat matrix and recommended the same to the Board of Governors for the approval.

The Senate also decided that for Natural Science Master's Programme 20 seats will be created in each specialization and authorized the Chairperson to recommend the same to the Board of Governors for approval after incorporating the reservation as per rules.

Senate/36/07	PhD. Design: Modified admission criteria
---------------------	---

The Senate discussed and approved the proposal to include following additional degrees as eligibility for the admission to Ph.D. programme in Design:

1. Master of Architecture
2. Master of technology

The Senate also considered the proposal of Master of Fine Arts and PG Diploma Programme in Design of National Institute of Design as possible eligibility for admission to Ph.D. in Design and requested Head Design to work out the details such as equivalence with 10+2+4+2 scheme and recognition for getting the assistantship. The Senate also suggested taking opinion from the MHRD on the issue of assistantship in case such eligibility is considered.

Senate/36/08	Modification in M.Tech. Mechanical Engineering (CAD/CAM) and Mechanical Engineering (Manufacturing) Programme
---------------------	--

The Senate deliberated on the proposal and agreed with the proposal for having one elective in place of thesis credit and decided that this will be applicable from the next batch onwards.

The Senate also decided that for the current second semester students of these specializations, option will be floated to choose between the thesis credit and course.

The Senate also suggested other disciplines also to consider it in order to have uniform scheme.

The Senate also advised to include at least one course of other disciplines in M.Tech. programs curriculum of all disciplines.

Time to time approvals accorded by the Chairperson Senate are ratified by the Senate (attached as Annexure).

- (i) Request of father of Mr. Kartik Maurya for conversion of his programme from B.Tech. to B.Des

Father of Mr. Kartik Maurya (a student of 2nd year and having dyslexia) requested for conversion of his son's programme from B.Tech. to B.Des. The Senate decided that the request cannot be considered; however, looking to his problem of dyslexia, he may be given extra time upto one hour in a three hour exams and 33% extra time in quizzes and other exams, etc. Further, advice of the experts may also be taken on the actual extended time required for the examinations/tests in his case.

- (ii) Proposal for starting M.Tech. programme in Mechanical Engineering (Thermal Specialization)

The Senate opine that M.Tech. Mechanical Engineering (Thermal) does not fully fit in the theme of the Institute (Design and Manufacturing) and may be renamed. The Senate deferred the decision on the proposal for starting of M.Tech. Mechanical Engineering (Thermal).

The Senate further decided that the proposal once formally received from the Head of Mechanical Engineering Discipline will be circulated to the members of the Senate and will be discussed in the next Senate meeting.

11

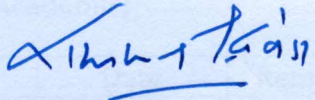

(iii) Proposed scheme for 3rd and 4th semester B.Des. Programme

The proposal for discussion on 3rd and 4th Semester B.Des. programme proposed by the Head Design was deferred by the Senate.

The Senate further decided that it will be better to float the full scheme (for all eight semesters). Once received, it will be sent to the members of the Senate. The Senate requested Head Design to submit the scheme by 15th January 2016.

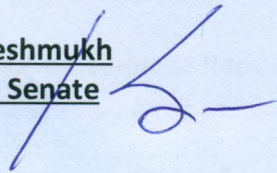

(iv) Proposal of M.Sc. programme in Mathematics and Physics

The Senate discussed the proposal submitted by the Head Natural Sciences. The Senate suggested renaming the degree to MS in place of MSc. Head Natural Science was requested to discuss the possibility with JAM about having the degree name as MS. The Senate also decided to send the proposed scheme and syllabus to the experts for feedback and the same is to be submitted by January 15, 2016. It is decided that the program be started from July 2016 session.
