MECHANICAL ENGINEERING DISCIPLINE, PDPM IIITDM JABALPUR

Presents

Karyashala: High End Workshop *on*

3D PRINTING, BIO-MANUFACTURING AND CHARACTERIZATION OF MATERIALS

6-12 May 2024

Hands-on Training and Expert Talks on:

- AM techniques and recent developments
- Bio-manufacturing
- Role of additive manufacturing in bio-manufacturing
- Food printing
- Role of sensors and actuators in manufacturing
- Hybrid additive manufacturing and recent trends
- Role of friction stir welding/processing in 3D printing

Venue

Division of Mechanical Engineering,
PDPM IIITDM Jabalpur, M. P.

Who can attend?

PG Research Scholars, Final Year UG
Students and Faculty members currently
pursuing Mtech/Phd Degree

Register before or on 28 April 2024

Highlights

Hands-on training
No Course Fee
TA and Accommodation for
participants
