9. Corrupt, fraudulent or unethical practices

The Institute requires that the chemist observes the highest standards of ethics during the procurement and execution of contract for supply of medicines. The medicines/drugs to be supplied will be of standard quality. In pursuance thereof, the terms are set forth as follows :

- a) The chemist shall not resort to misrepresentation of facts in order to influence the empanelment process or execution of contract to the detriment of the Institute.
- b) The Institute will declare a chemist ineligible, either indefinitely or for a specified period of time, for award of the contract, if at any time, it determines that the chemist has engaged in corrupt and fraudulent practices in executing the contract.
- c) The Institute may, without prejudice to any other remedy for breach of contract, at its sole discretion, terminate the contract in whole or part in respect of any chemist for any of the following reasons :
 - i) supply of sub-standard/spurious/substitute medicines.
 - ii) delay in supply/refusal to supply/non-supply of medicines.
 - iii) over charging in the bill.
 - iv) in case it is found that any particular medicine's date is expired or is near the date of expiry.
 - v) if the chemist fails to perform any other obligation (s) under the contract
 - vi) in the judgement of the Institute has engaged in corrupt or fraudulent practices.
- d) If any such case indicated in (c) above is noticed during subsequent scrutiny after or before the payment, then the chemist shall refund the disputed/excess amount already paid by the Institute, replace the medicines in question. The Institute may stop payments due or recover the cost of such supplies from the amounts due to the chemist.

10. Applicability of best prices :

If the chemist with whom the Institute has entered into an annual purchase contract offers a higher discount or sells or even offers to sell medicines following conditions of sale similar to those of the Institute's contract, to any person or organization during the currency of the rate contract, the discount rate applicable to the Institute will be automatically increased with effect from that date for all the subsequent supplies under the contract and the contract amended accordingly. Other parallel contract holders, if any, will be given opportunity to reduce their price as well, by notifying the reduced price to them and giving them 15 (fifteen) days time to intimate their revised prices, if they so desire, in sealed cover to be opened in public on the specified date and time and further action taken as per standard practice.

11. Indemnity :

The chemist shall indemnify the Institute against all actions, suits, claims and demands brought or made against the Institute in respect of anything done or committed to be done by the chemist in execution of or in connection with the work of this contract and against any loss or damage to the Institute in consequence to any action or suit being brought against the chemist for anything done or committed to be done in the execution of this contract.
