March 25, 2021

Sub: Condition of Academic Drop of PhD Program due to inadequate research performance.

Senate in its 46th Meeting held on January 19, 2021 has decided followings:

The academic program of a Ph.D. student will be dropped in case a supervisor recommends the same for consecutive two times. In such cases the student will have an option to change the supervisor. A committee will review the case and send report to Chairperson Senate. The Chairperson Senate will be final authority to take the decision for the continuation of program. If Chairperson Senate accepts the appeal of the student the old supervisor will not have any claim on the work done by the student.

This is for your information, please.
