Sub: Regarding M.Tech./M.Des. Thesis Grades after defence (Viva-Voice).

Dear Sir,

This is to inform you that the Academic Senate in its 42<sup>nd</sup> meeting had decided to evaluate the thesis dissertation (of 16 credits) with 50% weightage to supervisor marks and 50% weightage to external examiner marks. Based on the same SPI will be allocated to the students.

Now, it is found that there is no clarity on authority to convert marks to SPI. In this connection, Chairperson Academic Senate approved that the conversion of marks to SPI will be carried out by the Head of the concerned discipline and submitted to academic office.

This is for your information, pls.
