Sub:- Modification/elaboration in the area of specialisation of ECE discipline.

Ref:- Advertisement for faculty position advt. No 01/2019 Dated 14/02/2019

Vide above referred advertisement for faculty positions was made for various discipline in different areas of specialisation. In this connection area of specialisation for ECE discipline are modified/elaborated as below:-

FOR

- 1. Signal Processing**
- 2. Microwave Engineering**
- 3. Power System**
- 4. Microwave Communication Engineering**
- 5. Electromagnetics and Photonics Communication**
- 6. Control System.**

READ

- 1. Digital Signal Processing, Biomedical Signal processing, Multirate signal processing.**
- 2. Microwave Engineering, RF Communication engineering, Photonics Communication.**
- 3. Analytical and Computational Electromagnetics, Applied Photonics, Nanophotonics and Plasmonics, Biophotonics.**
- 4. Micro and Nano Electronics, Analog and Mixed Signal VLSI, Organic Electronics, Medical Electronics.**
- 5. Power system, Power Electronics, Electrical Machine and Drives, Control system, Renewable energy,**
- 6. Sensor and Nano devices, Biosensors**
- 7. Embedded System and Automation**
