Interested candidates are invited for walk-in test/interview for a position of Junior Research Fellow (JRF) to work on a DST-SERB funded research project titled “**Development of multi-operational microwave heating setup for the near net shape material processing**”.

Post: Junior Research Fellow (JRF)

Number of Posts: 01

Duration: The position is purely temporary initially for one year and renewable each year subject to satisfactory performance up to for a maximum of two years or completion of the project, whichever is earlier.

Salary: **Rs. 31,000/-** (Fellowship), Plus HRA of 16% of the fellowship amount (**Rs. 4,960/-**) (subjected to approval from DST(**pending**) and not guaranteed at this point of time) per month or Hostel if available, as per norms.

Essential Qualifications: ME/M.Tech Degree in Mechanical Engineering/Material Science or any other domain related the Project. Candidates having good academic and research background and GATE score will be given preference. Candidates with Ph.D. (either in Science/Engineering) in related fields will be given preference subjected to satisfactory performance in interview.

Age limit: Preferably below 30 years as on the date on interview. Age relaxation is applicable for women candidates.

Desirables: Good knowledge of Materials Chemistry, Material Processing and Characterization, Experimental and Analytical Study, etc.

Date and time of Interview: 03-02-2020 at 10.30 a.m. **Place of Interview:** LHTC, IITDM Jabalpur.

Candidates willing to attend the interview are required to send their confirmation through email along with their detailed CV by 27th Jan 2020 to hps.dme@iiitdmj.ac.in. Candidates are also required to bring all documents and experience certificates in original for verification. **Please note that No TA/DA will be given to the candidates appearing for the interview.**
