

**Indian Institute of Information Technology, Design & Manufacturing
Jabalpur**

Applications are invited for one position of Junior Research Fellow(**JRF**) in a sponsored project supported by **Board of Research in Nuclear Sciences (BRNS)** of the **Department of Atomic Energy (DAE), Government of India.**

The details are as follows:

Title of the Project: Process Development for the Fabrication of Free Form Components through Incremental Sheet Metal Forming

Project duration: Three years

Desired Qualification: M. Tech/B. Tech, preferably in Mechanical Engineering. Knowledge of CAD software, CNC machining and metal forming is desirable

Remuneration: Consolidated **Rs. 16,000** per month for first two years

Last date for receipt of application: Friday, 29th of March, 2013

Application on plain paper mentioning qualifications, experience, projects executed (if any), along with the bio-data and recent passport size photograph may be sent to the undersigned by post or email. Please note that no TA/DA will be given to the candidate(s) called for interview.

Accommodation may be offered in hostel on nominal charges.

Appointed fellow would be encouraged to pursue higher studies in the courses offered by the institute.
