

Prof. Ajit Kumar Verma

Dr. Ajit Kumar Verma is working as a **Professor(Technical Safety)** since March 2012 and is with Western Norway University of Applied Sciences, Haugesund, Norway. He was a **Professor/Senior** (HAG) scale **Professor** with the Reliability Engg/Department of Electrical Engineering at IIT Bombay for around 15 years with a research focus in Reliability, Risk & Safety Engineering. He is also a Guest Professor at Lulea University of Technology, Sweden and was an adjunct at the University of Stavanger. He has been honored with 'Honorary Professor' at the Amity University in India. He is the **Springer Book Series Editor** of *Asset Analytics: Performance and Safety Management* as well as the **Springer Book Series Editor** of *Reliable & Sustainable Electric Power and Energy Systems Management* and has jointly edited 5 books published by Springer and is also an author of books titled 1.Fuzzy Reliability Engineering Concepts and Applications (Narosa), 2.Optimal Maintenance of Large Engineering System-Practical Strategies for Effective Decision Making(Narosa), 3.Reliability and Safety Engineering (Springer) 4.Dependability of Networked Computer Based Systems (Springer), 5.Risk Management of Non-Renewable Energy Systems(Springer). He has over 250 publications in various journals and conferences and has been a supervisor/co-supervisor for 37 Phd theses. He is a senior member of IEEE and a life fellow of IETE. He has been the Editor-in-Chief of OPSEARCH published by Springer(Jan 2008- Jan 2011) as well as the Founder **Editor-in-Chief** of International Journal of Systems Assurance Engineering and Management(IJSAEM) published by Springer and an**Editor-in-Chief** of Journal of Life Cycle Reliability and Safety Engineering(Springer). He is on the editorial board of various international journals. He has served as a Guest Editor of Special Issues of various journals including IEEE Transactions on Reliability.
