Members Absent:
Akashdeep Gupta
Tatini Sri Pavan Teja

4.01 Make necessary arrangements for students of UG 2017 staying in Hall 1 to be able to stay with the rest of their batchmates.

4.01.01 The need of making necessary arrangements for students of UG 2017 staying in Hall 1 to be able to stay with the rest of their batchmates was agreed upon by all.

4.01.02 The temporary solution of living with their other batchmates as four people in each room was rejected because of space crunch.

4.01.03 Dean, Student Affairs suggested that certain students of UG 2017 had sent their withdrawal and their space in Hall 3 could be filled by students of UG 2017 residing in Hall 1. However this would result in lesser number of students living separately in Hall 1.

4.01.04 Dean, Student Affairs asked Associate Warden, Hall of Residence-3 to look into possibilities of accommodating the entire UG 2017 batch in Hall-3.

4.02 Suggest measures to accommodate students of UG 2014 who are currently on external PBI

4.02.01 The committee for hostel reallotment proposed that once BTech 2014 students are shifted to Hall 1, the external PBI students arriving in November could be accommodated with them in double occupancy.

4.02.02 The PG students proposed that when the BTech 2014 external PBI students return in November, the MTech and MDes students residing in Hall 1 can shift into double occupancy leaving rooms vacant for the external PBI students to shift into, in double occupancy as well.

4.02.03 The administration proposed that the BTech 2014 external PBI students will be accommodated in whatever space will be available in the institute.

4.02.04 No solution was finalised to accommodate students of UG 2014 who are currently on external PBI.

4.03 Explore the possibility of providing single rooms in Hall 1 to students of UG 2014

4.03.01 The committee for hostel reallocation presented a detailed solution that proposed that MTech, MDes and PhD 2017 students residing in Hall 1 should be shifted to Hall 4 and BTech 2014 students should be shifted to Hall 1 instead. (Proposal attached as Annexure-1)

Dean, Student Affairs disagreed upon shifting PhD 2017 students from Hall of Residence 1. The solution was not accepted by the PG students as they were not ready to live in shared accommodation.

4.03.02 Warden, Hall of Residence 1 proposed that vacant rooms in Hall 1 could be provided to some students of UG 2014. The solution was further permitted by Dean, Student Affairs.

4.03.03 Dean, Student Affairs said that shifting of rooms on a mutual agreement between UG 2014 students residing in Hall 3 and PG students residing in Hall 1 would be acceptable as well.

4.04 Any other matter related to hostel reallocation

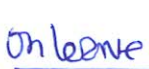

4.04.01 Dean, Planning and Development stated that the PG hostels are not functional as electricity, sewage and water facilities have not yet been met due to unavailability of funds. The proposal for the same has been forwarded to the Finance Ministry. He further added that the possibility of the unfinished work completing in this academic year was bleak.

(Approved/Not-Approved)

Dr. Prashant Jain
Dean, Student Affairs

Prof. P.N. Kondekar
Dean, Planning and Development
Chairperson

Meru Vashisht
